Calce e Argilla.

L'unione di due materie prime naturali, che si integrano perfettamente nel concetto di bio-edilizia e bio-architettura.

Effetti estetici di grande design e altamente ricercati, sviluppati e ricreati dai nostri maestri decoratori, che si ispirano alla storia, alla cultura e all'evoluzione dell'italian life style.

Clay based Decorative Line

Clay and Lime

The union of two natural raw materials, which integrate perfectly in the concept of green building and green architecture. Aesthetic effects of great design and highly sought after, developed and recreated by our master decorators, which are inspired by history, culture and the evolution of the Italian life style.

Декоративная линия на основе глины

Известь и глина.

Тандем двух натуральных материалов, которые идеально вписываются в концепцию экостроительства и экодизайна. Эстетика великолепных декоративных эффектов, пользующихся большим спросом в дизайне, разработаны и воссозданы нашими мастерами-декораторами, вдохновленными историей, культурой и эволюцией итальянского образа жизни
