

A photograph of a rustic interior scene. The background is a textured, light brown wall. In the foreground, there are several items: a white chair on the left with a light-colored knitted blanket draped over it; a small table or ottoman in the center covered with a light-colored blanket featuring a chevron pattern and a shaggy, fringed throw on top; and a woven basket on the right. The overall aesthetic is warm and cozy.

Luminose Sfumature Shabby - Chic

Speciale finitura decorativa dalle morbide e luminose sfumature tipiche di uno stile "Shabby Chic". Effetto finale che può essere caratterizzato da una originale opacità o che può essere impreziosito grazie all'aggiunta di una speciale perla contenente micro-scaglie metalliche di colore argento o oro.

Bright shades in Shabby Chic Style

Special decorative finish with soft and bright shades typical of a “Shabby Chic” style. Final effect that can be characterized by an original opacity or that can be embellished with the addition of a special pearl containing metallic micro-flakes of silver or gold color.

Яркие оттенки в стиле шебби-шик

Специальная декоративная отделка с мягкими и светящимися оттенками, характерными для стиля “шебби-шик”. Окончательный матовый эффект может выглядеть ещё богаче благодаря специальному перламутру, содержащим в себе металлические микрочешуйки цвета серебра или золота.
