

Velatura Classica

La Classe della Velatura

Sistema decorativo disemplice applicazione che permette di decorare elegantemente le pareti di abitazioni locali in genere, in cui si vuole ricreare un ambiente classico ed antico, e dove predomina su un fondo liscio, l'effetto nuvolato e chiaro - scuro tipico della Velatura.

Silossanic layer on a smooth surface

A system of simple application, where the typical nuvolato and chiaro scuro effects of the velatura prevail over the smooth base.

Ideal for decorating the wall surfaces of homes and buildings that aim at recreating a classic, antique-looking feel.

A photograph of a hallway with a textured, light-colored wall. On the left wall, there is a decorative, ornate lamp with a pleated shade and a small plaque with the number '108'. Below the lamp is a light switch. In the foreground, a potted plant with green leaves and red flowers sits on a ledge. In the background, an arched doorway leads to another room, where a small plaque with the number '107' is visible on the wall.

Стиль Velatura Силоксановый слой на гладкой поверхности.

Система очень простого нанесения, с типичным облачным и световым эффектом, объем на гладкой поверхности.

Идеальна для декорирования стен жилых домов и помещений, воссоздавая эффект старых стен, классический, античный интерьер.
